CREEP FEEDER

LEARN FROM THE PAST, LOOK TO THE FUTURE

Hinged lid for easy refill. Capacity: 150kgs of feed fed through a hopper.

Easy access hinged flaps prevent birds and vermin accessing the feed,

Galvanised feeding tray for cleaner longer life.

The Rossmore Calf Feeder is designed with the farmer in mind. Its compact design allows for ease of mobility along with making it ideal for both inside and outside use. The hinged lid reveals a hopper inside which gradually feeds the calves. The ten crow flaps allow for protection against both vermin and the weather. The hot dip galvanised tray allow for a cleaner eating surface for the calves.

Main Features:

- Compact design for use indoors. *Dimensions: W75" x B40" x H44.5".*
- Hinged lid for easy refill. *Capacity: 150kgs of feed fed through a hopper.*
- Ten anti - bird flaps. *Easy access hinged flaps prevent birds and vermin accessing the feed, reducing the risk of infection.*
- Galvanised feeding tray for longer life.
