

PUMP AGITATOR

LEARN FROM THE PAST, LOOK TO THE FUTURE

The Rossmore Pump Agitator is designed to work on the 3-point linkage of agricultural tractors of 80 + HP. The body is hot dipped in superior galvanise for a high quality, long lasting finish. Strong & robust in design, the agitators main shaft is made using 50mm heavy wall tubing. A heavy duty knuckle joint replaces the old rubber coupling system. Contains a manual directional box for top fill or mix selection. The hydraulic trip unit is fitted as standard. The agitator includes a heavy duty PTO shaft c/w shear bolt.

Features

- Hydraulic trip as standard
- Manual selection box (mix/fill)
- Superior quality galvanising
